

# ON-SITE SAFETY SERVICES

## MEDICAL SURVEILLANCE/TRAINING/CONSULTING

# AUTRY

TECHNOLOGY CENTER

Autry Technology Center's safety team provides safety services and training all over Oklahoma, Texas, Kansas, and Arkansas.

### PROVIDE SERVICES FOR YOUR EMPLOYEES:

- › At your business
- › In Autry Technology Center's classrooms (two locations - main or woodring campus)
- › On your time schedule—day, evenings or weekends

### TRAINING & SERVICES ARE DESIGNED TO:

- › Create a safer work environment
- › Meet OSHA and other requirements
- › Lower workers' compensation cost
- › Be customized for individual needs

## 1› MOBILE HEARING TRAILER

Two state of the art hearing trailers. Autry's 4 booth or 2 booth hearing trailers are available on your site! Each trailer has a workstation for the hearing technician to conduct hearing evaluations and sound booths for accurate testing. They are climate controlled and have the ability to conduct onsite training while the employees are in the trailer.

## 4› PULMONARY FUNCTION TESTING

Autry Technology Center can provide pulmonary function testing for your employees on your site or ours! We use the high tech NDD Easy one or the SensorMedics pulmonary function testing equipment to conduct accurate, dependable, and fully compliant OSHA / NIOSH testing. Autry's qualified staff has completed the NIOSH approved pulmonary function testing training and is ready to assist you with your testing.

## 2› RESPIRATORY PROTECTION/FIT TESTING

Autry Technology Center uses the state of art Quantifit fit testing system. Using the controlled negative pressure protocol approved by OSHA fit tests can be completed in less than 5 minutes! Autry will fit test your employees using their respirator in your workplace. Fit testing is required annually for all employees by OSHA. This service is offered at any location, with minimal disruption of your business.

## 3› ON-SITE CUSTOMIZED TRAINING

Customized training is our specialty! Classes can be delivered at any location. Autry's qualified instructors can provide classroom, hands-on, competent, or computer based training. Whether you need awareness training or OSHA outreach 10 & 30 hour courses, Safeland USA and AAA Drive Improve Autry can do it for you!
