Autry Technology Center Students Compete at HOSA State Contest

ENID, OKLA. – Seven Autry Technology Center students placed at the 2020 HOSA State Contest. Due to social distancing guidelines, this year’s contest featured only online testing and submission of contest materials.

Clinical Medical Assisting student Mikaela Kreger placed 1st in the Job Seeking Skills (Secondary) contest. Dental Assisting student Autumn Sutton placed 2nd in the Job Seeking Skills (Postsecondary) contest. Clinical Medical Assisting student Taryn Chaney placed 3rd in the Job Seeking Skills (Postsecondary) contest.

Dental Assisting student Dana Miller placed 3rd in the Dental Science (Secondary) contest. Dental Assisting student Victoria Montemayor placed 4th in the Dental Science (Postsecondary) contest. Dental Assisting student Brittney Adams placed 5th in the Dental Science (Postsecondary) contest.

Clinical Medical Assisting student Ashalynn Tolman placed 4th in the Medical Assisting (Postsecondary) contest.

With her 1st place finish, Mikaela Kreger has qualified for the HOSA International Contest to be held virtually this summer.

“This year’s contest certainly looked different than what our students are familiar with when it comes to competitions,” said Brady McCullough, Autry Technology Center CEO/Superintendent. “Our students stepped up to the challenge and we are proud to celebrate their accomplishments!”

Autry Technology Center has been a part of the Enid community since 1967 and is one of 29 CareerTech schools across Oklahoma. The center has more than 25 career programs and offers a wide variety of evening and weekend short-term courses and certifications for many diverse career fields. Autry serves nearly 16,000 individuals each year, including many area employees who receive training through the Business and Industry Services Department that works with over 500 local businesses each year.
