

Autry Technology Center's Military Tuition Assistance offers up to \$500 in tuition assistance to be applied toward one of Autry Technology Center's full-time programs or one of Autry Technology Center's Adult Career Development courses. It cannot be applied toward books or supplies. The tuition assistance is available to military personnel, their spouses and children.

To be eligible to receive the tuition assistance, applicants must submit a completed Military Tuition Assistance application. Applicants must also present current military identification or Form DD-214 documenting an honorable discharge to an Autry Tech staff member.

This benefit will be extended to military personnel and family living in the Autry Technology Center district. Autry Tech will award up to \$10,000 per fiscal year in Veterans' Military Tuition Assistance on a first come, first served basis. This assistance can be received a maximum of three times.
