Autry Technology Center Cancels Soft Openings for Cafe Blú

ENID, Okla. – Due to the increasing COVID-19 cases in Garfield County, the invite-only soft openings for Autry Technology Center’s Cafe Blú have been cancelled.

“At Autry Technology Center, the health, safety and well-being of our students and staff are our top priorities,” said Superintendent/CEO Dwight Hughes. “This decision was made to protect our tech center community. We hope to see everyone for the grand opening of Cafe Blú on Wednesday, Feb. 2, 2022.

Autry Technology Center has been a part of the Enid community since 1967 and is one of 29 CareerTech schools across Oklahoma. The center has more than 25 career programs and offers a wide variety of evening and weekend short-term courses and certifications for many diverse career fields. Autry Tech serves nearly 16,000 individuals each year, including many area employees who receive training through the Corporate Training Department.
