### **Autry Technology Center to Host Safety Week May 2-6, 2022**

ENID, OKLA. — In conjunction with Construction Safety Week, Autry Technology Center has partnered with industry leaders to provide complimentary training, aimed to encourage all companies and homes to build a strong safety culture.

“Covering a variety of topics and times, there is something for everyone during Safety Week 2022,” said Ryan Zaloudek, Autry Technology Center Business Consultant. “When we all take on the responsibility of having a safe environment, we are ensuring that all workers go home to their families and friends at the end of the day. Safety is everyone’s job!”

While the daytime courses are geared toward industry partners, the evening courses are designed as personal safety courses related to safety in the home. These courses are generously provided in partnership with area leaders.

Courses scheduled for Monday, May 2 (Enid Safety Day, presented by OKIE811) include:
