Autry Tech to Celebrate New Students with Signing Day 2022

ENID, OKLA. — Autry Technology Center will host Signing Day 2022 on Wednesday, May 11, 2022. New accepted students for Fall 2022 will confirm their enrollment and meet their instructor for the next school year. The signing day ceremony and activities will begin every 30 minutes starting at 3:30 p.m. in the lecture hall at Autry Tech.

“These students are taking the first step to closing the skills gap in Oklahoma,” said Autry Tech Superintendent/CEO Dwight R. Hughes. “They play an important role in the future of our economy and community. We are excited to recognize them and celebrate their commitment on Signing Day.”

Students are asked to sign up for a time slot at autrytech.edu/signingday2022. Students will have the chance to meet their instructors, tour their new classroom and learn of the upcoming school year’s events.

Autry Technology Center has been a part of the Enid community since 1967 and is one of 29 CareerTech schools across Oklahoma. The center has more than 25 career programs and offers a wide variety of evening and weekend short-term courses and certifications for many diverse career fields. Autry serves nearly 16,000 individuals each year, including many area employees who receive training through the Corporate Training Department that works with over 500 local businesses each year.
