Autry Technology Center to Host Entrepreneurs Inspire Business Bootcamp

ENID, OKLA. — Autry Technology Center is set to host Entrepreneurs Inspire Business Bootcamp, a five-session workshop series designed to educate those interested in starting, expanding, or operating a small business, beginning Tuesday, Oct. 18, 2022.

Classes will be held at Autry Tech on Tuesday evenings from 6 to 8 p.m. with focuses on business basics, marketing, financials, business plans and putting it all together. The series is \$150.00 and there are scholarships available for Autry Tech, NOC and NWOSU students as well as members of the military.

“We know entrepreneurship is alive and well in our community,” said Meredith Westfahl, Autry Tech Small Business Management Specialist. “I’m so proud that we are able to offer resources and programming that aids job creation and helps to grow the opportunities right here in Northwest Oklahoma.”

Autry Technology Center has been a part of the Enid community since 1967 and is one of 29 CareerTech schools across Oklahoma. The center has more than 25 career programs and offers a wide variety of evening and weekend short-term courses and certifications for many diverse career fields. Autry serves nearly 16,000 individuals each year, including many area employees who receive training through the Workforce Development Department that works with over 500 local businesses each year.
