APPLICATION POLICY

Incoming high school Juniors and Seniors make application for Autry Tech enrollment during the fall or spring enrollment period (in-district only).

In-district adults can make application throughout the year and will be considered for enrollment following the completion of in-district high school enrollments. Out-of-district high school students and adults will be considered after completion of in-district adult enrollment.

ADMISSION PROCEDURES

Applicants should apply to Autry Technology Center online at autrytech.edu. A career counselor will contact you once your application is received. Specific entrance requirements include Next Generation Accuplacer Test Scores (college transcript/ACT may be submitted if approved), completed application, orientation, observation and interview. Applicants who have a completed Practical Nursing application on file and satisfactory test scores/college transcript will be considered for the program. Meeting the requirements does not guarantee admission to the program. Qualified applicants will be contacted for an interview, and class selection will be determined by the admissions committee. Qualified in-district applicants will be considered first.

Final acceptance to the program requires a physical examination (including the required immunizations) and payment of $59.00 to GroupOne for a background check (screening package available upon request). This is non-refundable. Accepted students must complete two mandatory 10-panel urine drug screen tests at Entero, 915 E. Owen K. Garriott Rd., Enid, OK. Tests will be administered at random throughout the program. The cost for each screening is $50.00 payable to Entero.

ENROLLMENT INFORMATION

Financial Aid:

Financial Aid options are available for qualified students. All seniors in high school and adult students wanting to apply for the Autry Scholarship are required to complete the online Autry Scholarship application and the Free Application for Federal Student Aid (FAFSA). Students who are unable to complete the FAFSA will need to submit the Autry Tech FAFSA Non-Participation Form, which can be located at autrytech.edu/financialaid or in the Student Services Office, to the Financial Aid Officer. The Financial Aid Officer and the Director of Student Services will review for authorization of non-participation with FAFSA.

Contact the financial aid office at Autry Technology Center for more information.

Autry Scholarship:

Qualifications for this scholarship are: (1) live in the Autry Tech district, (2) lived in the Autry Tech district upon graduation of high school, (3) graduated from high school within the last three school years, and (4) have completed the FAFSA application or the Autry Tech FAFSA Non-Participation Form. This scholarship equates to a total of $3,840* that may be applied to tuition costs for Autry Tech Full-Time Programs. The cost of books and other supplies are the responsibility of the students. Scholarship eligibility will be reviewed each semester.

** No cash value or exchanges*

Tuition:

In-district adult students pay in-district rates. In-district adults are defined as post-secondary individuals who have established legal/permanent residence in the Autry Tech district. All others pay out-of-district rates.

Expenses:

May include, but are not limited to, textbooks and supplies available at autrytech.edu.

Revised 07.29.26

Thank you for your interest in Autry Technology Center's Advanced Medical programs. In order to be considered for Autry Tech's Advanced Medical programs, you must complete the following requirements to be eligible for the interview and selection process.

☐ **STEP 1 - APPLY FOR FULL-TIME PROGRAMS**
Complete an online application at autrytech.edu.

☐ **STEP 2- ATTEND ADVANCED MEDICAL ORIENTATION**
Attend one orientation session. To sign up, visit autrytech.edu and type "Advanced Medical Orientation" in the search bar at the top of the homepage.

☐ **STEP 3 - APPLICANT PROFILE**
Submit Applicant Profile found on your portal. ***Recommend to complete this step after step 2***

☐ **STEP 4 - SUBMIT OFFICIAL TRANSCRIPT**
Submit official transcripts from all secondary and post-secondary educational institutions attended. **Transcripts must be sent directly from the educational institution**. Transcripts can be mailed to 1201 W. Willow, Enid, OK 73703 or sent digitally to bkusch@autrytech.edu.

☐ **STEP 5 - SUBMIT PROFESSIONAL RECOMMENDATION FORMS**
Advanced Medical applicants must request three (3) professional recommendations. Applicants will provide the email addresses of three individuals who can speak to their qualifications and readiness for the program. Each recommender will receive an email with a link to complete and submit the recommendation form directly to the Student Services department.

☐ **STEP 6 - SUBMIT TEST SCORES**
There are three available options to complete this step of the application process. *Radiography applicants do not need to complete testing.*

- Schedule a time to take the Next Generation Accuplacer test.
- Submit recent ACT scores.
- Check with Autry Tech counselor to see if college transcripts may be accepted in lieu of test scores.

☐ **STEP 7 - SUBMIT STATEMENT OF UNDERSTANDING AND AGREEMENT TO MAINTAIN CONFIDENTIALITY FORM**
Submit your signed Statement of Understanding and Agreement to Maintain Confidentiality form via the portal. ***Must be completed before observation.***

☐ **STEP 8 - SUBMIT IMMUNIZATION RECORDS**
Submit a current immunization record. Contact local health department to obtain. ***Must be completed before observation.***

☐ **STEP 9 - PROGRAM OBSERVATION**
After completion of steps 7 and 8 you will receive an email from a Career Counselor to begin coordinating your observation. Please note: *The Radiography application process will close as soon as all available observation spots are filled.*

☐ **STEP 10 - EMPLOYMENT & HEALTHCARE EXPERIENCE VERIFICATION & CERTIFICATIONS**
Submit healthcare experience verification (optional for potential bonus points) and upload current healthcare certifications

Important Update for January 2027 Practical Nursing Applicants:
Step 10 (Verification) is not required for applicants to the January 2027 Practical Nursing cohort. However, applicants who wish to be considered for optional health certification points must still upload the applicable health certifications to the application portal by the application deadline. Please complete all other application requirements as outlined.

☐ **STEP 11 - MEET WITH FINANCIAL AID**
Financial Aid options are available for qualified students. All seniors in high school and adult students wanting to apply for the Autry Scholarship are required to complete the online Autry Scholarship application and the Free Application for Federal Student Aid (FAFSA). Students who are unable to complete the FAFSA will need to submit the Autry Tech FAFSA Non-Participation Form, which can be located at www.autrytech.edu/financialaid or in the Student Services Office, to the Financial Aid Officer. The Financial Aid Officer and the Director of Student Services will review for authorization of non-participation with FAFSA. Contact the financial aid office at Autry Technology Center for more information.

Qualified candidates will be contacted once application is complete to schedule interview.

Meeting the requirements does not guarantee admission to the program. Qualified in-district applicants will be considered first. The decision regarding the selection of students is final. Autry Tech staff and school administration are not under any obligation to justify the selection. All interviewed applicants will be notified by email of the admissions committee's decision. ***Completed applications received after the deadline may be considered if openings are available!***

Please call 580.242.2750 or send an email to bkusch@autrytech.edu, sbeaver@autrytech.edu or sstanford@autrytech.edu if you have any questions concerning the application process.

AUTRY TECH EDUCATIONAL PROGRAM IN PRACTICAL NURSING

Program Information Sheet

1. The Practical Nursing program will take up the majority of a student's time. Faculty understands that many students must continue work while completing the program, however, students should realize that this may affect their performance in the program.
2. Students who are successful in the program have financial arrangements in order, a strong support system, reliable transportation, and reliable childcare. It is necessary to have a backup plan for childcare and transportation. It's a good idea to let your employer know you are planning on attending nursing school.
3. Students must attend class a minimum of 24 hours per week. Class hours are normally Monday through Thursday, 8am-7pm, and Friday 8am-4pm. Clinical hours and days will vary. There will be mandatory days throughout the year, but you will have advanced notice of those dates. Students must be able to attend all clinical sites and work with all clinical staff.
4. Acceptance to the program requires completion of enrollment requirements including a physical examination (including the required immunizations) and payment of $59.00 to GroupOne for background check (screening package available upon request). This is non-refundable. Once admitted to the program, students will be subject to two random drug screenings during their enrollment. Each screening will include a mandatory 10-panel urine drug test conducted at Entero Services, 915 E. Owen K. Garriott Rd., Enid, OK. The cost of each screening is approximately $50.00 and is the responsibility of the student. Payment is made directly to Entero Services.

   A student can be selected for the random drug screening more than once during the program. Applicants with a positive drug screen will be dismissed from the program.

   a. The Oklahoma Board of Nursing has the right, as a state licensing agency, to deny students the opportunity to take the licensing examination if they have been charged, have a pending conviction, or have been convicted of a crime which includes a felony, gross misdemeanor, or misdemeanor; or have any violations related to alcohol and/or drugs. You are required to report charges or convictions that have been withheld, deferred, stayed, set aside, suspended, or entered into a pre-trial diversion, or involved a plea of guilty or no contest.

      To be eligible for the Oklahoma Board of Nursing licensing examination, the applicant must fill out the license application which asks the following questions: (1) "Have you ever been convicted of a felony, misdemeanor, or similar offense in a military court-martial?"; (2) "Have you had any license, registration, or certification denied, revoked, suspended, placed on probation, or subjected to discipline by a regulatory authority or certification board (other than the Oklahoma Board of Nursing)?'; and (3) "Have you ever been suspended, dismissed, or expelled from an educational program that you attended in order to meet the Oklahoma Board of Nursing licensing requirements?". If your answer is "No"to all of the above, you move on to the next question. Anyone who answers "Yes" is asked to provide a detailed explanation and official court documentation of the charges. Court documentation must verify the nature of the conviction, the sentence imposed by the courts, and the current status of the sentence. Documentation for offenses not court-related must also be provided. An application can be made prior to starting the Autry Tech program with a $95 application fee. The Oklahoma Board of Nursing will rule on the impact of the violation on eligibility for licensing.

   b. Clinical sites also have a right/obligation to require a background check prior to allowing students to participate in clinical rotations. If a student (1) has been arrested, (2) has been charged, (3) has a pending conviction, (4) has been convicted of a felony, gross misdemeanor, misdemeanor, or has any alcohol and/or drug related violation, (5) has been judicially declared incompetent, or (6) has falsified records, the clinical site has a right to deny facility access. Without participation in the clinical component of the course, it will be impossible for the student to fulfill the requirements for completion of the program and he/she will be dismissed from the Practical Nursing Program.

   c. Oklahoma law only allows a license to be Issued to US citizens, US nationals, and legal permanent resident aliens. Other qualified aliens may be Issued a temporary license that is valid until the expiration of their visa status, or if there is no expiration date, for one year. Applicants who are qualified aliens must present, in person, valid documentary evidence of:

      i. A valid, unexpired immigrant or nonimmigrant visa status for admission into the United States;

      ii. A pending or approved application for asylum in the United States;

      iii. Admission into the United states in refugee status;

      iv. A pending or approved application for temporary protected status in the United States;

      v. Approved deferred action status; or

      vi. A pending application for adjustment of status to legal permanent resident status or conditional resident status.

5. Students will receive tuition cost and supply cost list during the interview process. All expenses are subject to change.
6. If accepted, students will receive an email notification within a week of their interview. A letter of intent will also be mailed to the student's mailing address. This letter of intent must be completed and returned by the designated date to complete enrollment. If the letter of intent is not received by the designated date, the student will lose their position in the program. The position will be filled by the next qualified alternate.
7. Students will also receive an email to complete the GroupOne background check for $59.00 (amount subject to change based on current costs). Students will pay GroupOne directly via their secure portal. Payment and completion of the background check must be completed by the designated date to secure enrollment. If the background check is not completed by the designated date, the student will lose their position in the program. The background check is nonrefundable.
8. To meet the following physical factors required by the medical industry, each student will be required to complete a physical exam and return physical form provided with letter of intent. Each student must be able to perform the following:
    a. Reach up to six (6) feet off the floor.
    b. Communicate in a clear and concise manner to people in various departments.
    c. Read and apply appropriate instruction contained in medical charts, notes, and records.
    d. Read fine print on medical instruments and supplies.
    e. Lift fifty (50) pounds of weight to waist level.
    f. Move immobile patients from a stretcher.
    g. Push a patient in a standard wheel chair.
    h. Understand and apply clinical site instructions given from departmental personnel.
    i. Utilize a keyboard for inputting patient and/or technical data.
    j. Visually monitor patients.
    k. Visually monitor equipment controls.
    l. Monitor patients via audio monitor.
    m. Handle instruments with dexterity.
    n. Ascend and descend stairways in emergency situations.
    o. Remain standing for extended periods of time.
